The Killeen Independent School District Compensation Program

The Killeen Independent School District (ISD) Compensation Program is designed to promote an atmosphere that attracts, motivates and retains high performing employees and provides support to the organizational mission of educating all students for success. Killeen ISD seeks to provide compensation that is competitive within the parameters of the Board of Trustees approved budget and complies with all state and federal regulations governing compensation practices.

The Superintendent of Schools shall propose a compensation plan for all district personnel. The compensation plan for the upcoming school year will be reflected in the budget approved by the Board of Trustees and the Administration shall be responsible for developing procedures and guidelines for proper implementation of the Board-approved compensation plan. (See policy DEA (LOCAL))

The Killeen ISD, is an equal opportunity educational provider and employer and does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, genetic information, or any other basis prohibited by law in educational programs or activities that it operates or in employment decisions. The District is required by Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, The Americans with Disabilities Act, and the Age Discrimination Act of 1975, as amended, as well as board policy not to discriminate in such a manner. (Not all prohibited bases apply to all programs.)

The HR Department

The HR Department directs the strategic planning, design, implementation, administration and communication of all district compensation programs. The department researches and evaluates the organizational needs of the district and assesses market trends to ensure compensation programs are aligned with the district's compensation philosophy.

Compensation Structure

Killeen Independent School District's compensation plans are made up of salary paygrades with respective ranges as well as supplemental earnings and benefit programs that are approved by the Board of Trustees. Salary ranges are determined by market rates for benchmark positions. To ensure that salary ranges are competitive with the market, the HR Department conducts market pricing research for comparable positions. Employees are paid according to the pay range for their respective position (*all employees are paid on a 12-month basis regardless of their respective position's schedule of days*). The Killeen ISD Salary schedules are:

- **Administrative Program**
- **Administrative Management**
- **Teacher**
- **Instructional Support**
- **Administrative Support**
- **Manual Trades**

Pay Grades and Position Classification

The HR Department determines the compensatory value of a position by conducting systematic comparisons of positions to assess relative internal and external value. After the systematic comparison is complete, a position is assigned an associated pay grade. Pay grades are used to group positions that have approximately the same relative internal value based on compensatory factors (job descriptions, market data, internal equity, divisional consistency, and administrative input are all considered when performing job evaluations). Additionally, all positions will be classified as exempt or nonexempt in accordance with Fair Labor Standards Act (FLSA) requirements. The beginning pay for each pay range is referred to as the minimum. The top of the pay range is the maximum with the midpoint representing the middle of the range. The pay ranges do not directly correlate to years of experience.

The Chief Human Resources Officer will approve the need for any new position.

New Hire Compensation Determination

New hire compensation for district positions is based on each candidate's knowledge, skills and abilities (KSAs), related work experience and internal incumbent comparisons with employees who have similar positions and KSA's within Killeen ISD. Human Resources is responsible for communicating the offer of assignment to the candidate. Compensation outside of the Coordinator for Salaries and Allocations' recommendation will be referred to the Chief Human Resources Officer for review and approval.

New hires with significant KSAs and experience may be hired at a pay rate above the median salary of comparable incumbents if the position is considered "high-demand" based upon market analysis and thorough evaluation of similarly situated employees.

Documentation of Service Credit for Experience

In order to receive service credit for prior work experience, personnel must provide documentation of service to the Human Resources Department on an official Texas Education Agency (TEA) approved record and must be validated by the appropriate institutional official. Direct service and related experience for new hires must be documented prior to the determination of salary credit. The following forms of documentation are acceptable for review:

- Service records from previous school employment (required for all service covered by TEA regulations)
- Contracts or Letters of Appointment
- Letters submitted from previous employers specifying position held, dates of employment and hours worked.

The HR Department may request additional documentation as necessary to substantiate prior experience for salary credit. Final approval of prior work experience must be provided by the Coordinator for Compensation and Allocations.

The salary credit for Creditable Years of Service (CYS) will be granted upon receipt of an official service record. Applicable salary adjustments will be made effective on the date of hire or date of new assignment honoring CYS if the employee provides the official service records within the same school year from the assignment start date. Otherwise, the effective date is the date upon which Human Resources

Department receives the official service record. **It is the responsibility of the employee to provide all official documentation.**

Teachers

The salaries of newly hired teachers are based upon consideration of creditable years of service (CYS) (see the Teacher Introductory Placement Schedule, page 12 of this Resource Book). Teachers new to Killeen Independent School District will be compensated (for the first year only), based on their CYS upon approval of official records to Human Resources Department. The Teacher Introductory Placement Schedule details the corresponding salary amount based on CYS. All teachers, excluding JROTC and certain CTE teachers, are required to possess, a bachelor's degree and certification as required by the Texas Education Agency (TEA) and the State Board of Educator Certification (SBEC). Teachers who serve as Athletic Coaches will receive supplemental earnings in addition to their annual base salary.

Should the JROTC instructor transfer into a full-time teaching position, military experience will not be credited unless it meets the TEA guidelines. JROTC personnel will be paid in compliance with active duty Armed Forces pay requirements stated on his/her Military Instructor Pay (MIP) letter assignment.

Career and Technical Education (CTE) Teachers

For CTE teachers, prior work experience will be considered in determining initial salary as if it were teaching experience with the following limitations:

- Work experience must have been required for certification;
- Beginning with the 1982-83 school year, CTE teachers employed at least 50% in a CTE position may count up to 2 years of work experience for salary increment Texas Admin. Code §153.1021(i);
- CTE teachers without degrees, may be employed if they possess comparable career or technological work, provided they possess an appropriate certificate.

The letter shall clearly state the conditions under which the employee is reassigned, and whether there will be a reduction in current compensation.

Salary Freezes

A salary freeze following a demotion will be maintained for the duration of the employee's contract or for the duration of the current school year. A peer equity adjustment may be given for lateral transfers when the salaries of peer employees significantly exceed the salary of the new employee in the department. Any adjustment that exceeds 5% must be approved by the Chief Human Resources Officer.

Back payment is not made beyond 2 school years (current year plus one).

Overpayment

Supplemental Earnings: 2018-2019 School Year

effective July, 2018

Killeen Independent School District Supplemental Earnings Guideline

Supplemental Earnings are wages paid to active Killeen Independent School District employees in addition to their regular base salary. The rates at which supplemental pay is determined is governed by the HR Department and described in district administrative procedures.

Stipends/Additional Pay

Killeen Independent School District defines stipends/additional pay as a nondiscretionary amount of earnings paid to an employee on a regular or recurring basis over the course of their duty period contract. The stipend allows an employee to be compensated for specific duties or occurrences that are considered beyond the scope of their present occupation or contract. In some circumstances, positions may be identified as **critically needed** to fulfill the strategic plans of Killeen ISD. Stipend payouts are subject to their respective months of disbursement and may begin paying out as early as August and ending as late as July 31st for school year. Non-exempt employees are not eligible for all stipend types. Non-exempt employees receive pay amounts as additional pay at a per hour rate. Refer to [Administrative procedure VI-EE Stipend Eligibility Criteria](#) for specific criteria for certain stipends and [Administrative procedure VI-PP Approved Stipends/Additional Pay](#) for stipend/additional pay amounts.

Supplemental/Temporary Pay

Active employees who perform certain duties outside of their normal contract responsibilities throughout the course of the school year are eligible for additional earnings. These earnings are called supplemental/extra duty pay. Performance is considered voluntary and earnings are disbursed upon completion of the requested duties. Non-exempt employees are eligible to receive extra duty pay, however, utilizing non-exempt employees for supplemental/extra duty should be limited and carefully monitored as overtime rates may apply and must be followed accordingly (supplemental pay should not be used as an alternative to overtime payment for non-exempt employees when overtime payment should be paid).

Temporary employees pay will be determined by the assignment of duties. Temporary employees will be paid the same rate paid to regular employee receiving pay as supplemental duty. Supplemental/Temporary Pay rates can be found in [Administrative Procedure VI-Z Supplemental/Temporary Pay](#)

Supplemental Pay Information

The following information provides the framework for Killeen ISD Supplemental Earnings:

1. Supplemental earnings are not guaranteed wages and may be amended or eliminated at any time.
2. Supplemental earnings are not included in individual base salaries quoted by the HR Department.
3. Supplemental pay duties may not be conducted from home.
4. It is the responsibility of the campus or department to notify the HR Department of the supplemental duty.
5. A substitute employee is not eligible to receive supplemental earnings.
6. Supplemental duties should take place outside of an employee's normal contract days and should be considered voluntary, infrequent and distinctly different from the employee's normal job description. Non-exempt employees should not receive supplemental pay during the contract year outside of the exceptions outlined in this guide.
7. All supplemental earnings are subject to the employee and employer's statutory deductions. Earnings may qualify for Teachers Retirement System (TRS) eligibility.
 - Supplemental earnings are paid at the rate commensurate with the employee's employment category at the time work is completed.
