**OUR OBJECTIVES**

- **Health & Safety**
  Ensure all facilities are cleaned and sanitized properly and often to provide a learning environment conducive to reducing the spread of COVID-19.

- **Continuity of Instruction**
  Provide quality and engaging instruction to all students through both in-person and virtual modalities.

- **Communication**
  Communicating clear, consistent, concise information to staff, students, parents, and the KISD community.

- **Adaptability**
  Ensure educational plans and protocols remain flexible to meet the needs of all students as different circumstances are presented.

- **Exceptional Training**
  Provide thorough and engaging learning experiences and professional development opportunities to best equip our educators with the skillsets necessary to navigate our new environment.

- **Support our KISD Family**
  Support the KISD community as needs arise and challenges are presented throughout the year.

TWO EDUCATIONAL PLATFORMS

As a district, we have developed a model that allows us to have two educational options delivered by your child’s instructors and available throughout the year in response to the COVID-19 pandemic:

Traditional IN-PERSON EDUCATION
Plan A: Traditional In-Person

Available to ALL KISD students on September 8, 2020

Additional safety and health precautions will be put into place, such as additional cleaning protocols and PPE provisions, while also providing the ability to seamlessly transition to online instruction should the situation be warranted.

Available September 8, 2020
Due to the Bell County Public Health Mandate, All KISD students will begin the 2020-2021 school year on August 17th virtually.

Families will have the opportunity to transition between in-person and KISD Virtual Learning as they deem appropriate, through their specific campuses.
Plan B: KISD Virtual Learning

Due to the Bell County Public Health Mandate, All KISD students will begin the 2020-2021 school year on August 17th virtually.

Students will engage in live online and/or recorded lessons from teachers during their normal class time correlated to a school day schedule.

Student & Parents will be trained on the various KISD Virtual learning platforms, such as Schoology and Zoom.

As in the traditional model, attendance, assignments, assessments, and grades will be an expectation and required.

Updated 7-23-2020
EXECUTIVE ORDERS
KISD will adhere to any forthcoming Executive Orders from the Governor's office and/or other authoritative entities.

COVID-19 SELF-SCREEN
All KISD employees and students will be asked to self-screen for COVID-19 symptoms prior to entering KISD facilities each day.

COMMUNICATE COVID-19 PLAN
As required by TEA, KISD will post a COVID-19 Safety plan online, which will outline how we plan to mitigate the spread of the virus.

Updated 7-23-2020
ESTABLISHING TEACHER ZONES
8x8 teacher-only zones will be established in classrooms.

STRATEGIC TRANSITIONS
Campuses will create entry and exit plans as well as outline routines for transition periods to reduce congestion in hallways and communal areas.

REDUCE COMMUNAL SHARING
Campuses will evaluate ways to mitigate the spread of COVID-19 throughout their campus and develop plans to reduce shared touch-points.
## COVID-19 MITIGATION EFFORTS

<table>
<thead>
<tr>
<th><strong>ADDITIONAL CLEANING</strong></th>
<th><strong>HAND HYGIENE</strong></th>
<th><strong>FACE COVERINGS</strong></th>
<th><strong>TEMPERATURE CHECKS</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td>KISD will increase custodial teams to ensure high-touch surfaces are being properly sanitized with hospital-grade disinfectant. Teachers will also have access to cleaning products.</td>
<td>Students and staff will be trained on proper hand washing protocol and will be encouraged to practice. Hand sanitizer will be provided to campuses as available.</td>
<td>Students and staff will be required to wear their own face covering outside of any Executive Order mandate when social distancing cannot be maintained. Face coverings should not be a distraction and should be within the dress code.</td>
<td>Students and staff will be asked to assess their temperature before arriving to KISD facilities. The district will provide campus nurses with infrared thermometers.</td>
</tr>
</tbody>
</table>

*Updated 7-23-2020*
The Killeen ISD special education program has worked in conjunction with various district teams to identify methods that ensure the continued education for our students with special needs, whether provided in a virtual setting or in within the walls of the school building. Remote instruction for your child will be accessible and individualized to your child through the KISD Virtual Learning program. Students choosing the virtual learning option, will have regular contact with their assigned classroom teacher to ensure the IEP and goals are being addressed either through zoom sessions or through recorded lessons. If the distance/virtual learning option affects the District’s ability to provide some direct services or provisions of the IEP, an ARD will be needed to address the instructional program in a virtual setting.

Killeen ISD’s Admission Review and Dismissal (ARD) meetings will continue through the Zoom platform or by telephone. We will ensure that required campus participants are in attendance. However, if one wishes to participate in person for an ARD, the campus will work to accommodate the request.

For those with Related Services identified in the IEP and working remotely, instructional providers will contact you individually to determine the best method to continue services. When appropriate, KISD has successfully used Teletherapy during the spring and summer months and will continue to do so for those learning remotely.

Special Education evaluation personnel are working to complete evaluations. Currently evaluations are being done on site, but KISD is working to gain the resources necessary to provide virtual evaluations. Evaluation staff and campus personnel will be in contact and welcome families to contact the school as well.
KISD will encourage social distancing on campuses and during extracurricular activities to the greatest extent possible.

KISD will limit large gatherings, close playground equipment on campuses and cancel field trips.

Campuses will remain closed environments to external visitors. Appointments will be required until further notice.

KISD will provide school supplies for each student to reduce communal use. Parents will be asked to provide select personal items.
School Nutrition

CAFETERIA PROTOCOLS

Students will eat in the cafeteria, and campus "share" tables will be closed. Breakfast in the Classroom program suspended. Served/preplated at Elementary campuses. Offer versus Serve at Secondary campuses. Single-use products will be used throughout.

GRAB & GO MEALS

KISD will offer meals to KISD Virtual Learning students. Appropriate Documentation as prescribed by the USDA/TDA will be required.
Transportation

NUMBER OF RIDERS
Per TEA guidelines, KISD will not limit the number of students on a bus route beyond normal capacity limitations.

INCREASE SANITATION
Buses will be disinfected by bus drivers in between tiers and at the end of their shift to the greatest extent feasible.

PROVIDE SANITIZER
KISD will provide hand sanitizer on each bus for students to use, as available.

Updated 7-23-2020
Employee Professional Development

August 4-14

RETURN TO LEARN

KISD VIRTUAL LEARNING
Synchronous & Asynchronous Technology Instructional Integration

PLATFORM TRAININGS
Schoology (3-12)  Nearpod
Seesaw (Prek-2)  PlayPosit
Zoom

COVID-19 PROTOCOLS
All employees will receive specific COVID-19 training designed to mitigate the potential spread of the virus.

Updated 7-23-2020
DEVICES & CONNECTIVITY
KISD will identify students who need technology and connectivity to complete KISD Virtual Learning coursework.

SUPPORT HOTLINE
Parents and students will have access to district tech support throughout the school day.

PLATFORM TRAINING
Parents and students will be trained on the various Virtual learning platforms.
