

AVID Mission

"AVID's mission is to close the opportunity gap by preparing all students for college readiness and success in a global society."

At Killeen High School, our school's mission and AVID's mission go hand in hand with our efforts to prepare ALL students for post-secondary success. AVID is designed to increase school wide learning and performance. The mission of AVID is to ensure that all students and most especially the least served students in the middle capable of completing a college path:

- will succeed in a rigorous curriculum,
- will enter mainstream activities of the school,
- will increase their enrollment in four-year colleges, and
- Will become educated and responsible participants and leaders in a democratic society.
