Hello students and parents! I am very excited for the opportunity to serve you this year as your Central Texas College Dual Enrollment Program Liaison!

I certainly did not follow a conventional path to obtain a degree; however, it was the best path for me. So I am elated to play a role in the important work of developing graduates who are prepared for success in a globally competitive workforce by helping them navigate a path that is best for them.

As your CTC Dual Enrollment Program Liaison, I am privileged to be your first line of support. Please reach out to me if you have questions in any of these areas:

- Class location
- Viewing grades
- Attendance
- Class syllabus
- Instructional materials

I will work closely with each of you to ensure you are armed with the information necessary to expand learning, opportunity, and preparation, and set the conditions for a successful post-high school experience.

Feel free to drop by if you have questions, or if you just want to say hello. When I am not on campus at ECHS, you will find me in building 103, room 100. You may also call me at (254) 336-0570, or send me an email at ramona.bellard@killeenisd.org.

I look forward to getting to know each of you personally!
