# Table of Contents

Goals 3

Goal 1: Killeen ISD will equip and empower campus leadership, faculty, and staff to consistently provide research-based best practices, resulting in future ready students. 3

Goal 2: Killeen ISD will recruit, retain, and develop excellent, creative educators to maximize student achievement. 21

Goal 3: Killeen ISD will engage all stakeholders in the work of developing lifelong learners through positive, collaborative relationships and meaningful communication. 25

Goal 4: Killeen ISD will provide a safe and healthy learning environment, and identify and address social, emotional, and behavioral distractors; thereby improving student achievement. 27

Goal 5: Killeen ISD will effectively and efficiently manage district resources and operations to maximize learning opportunities for all students and staff. 29

# Goals

**Goal 1:** Killeen ISD will equip and empower campus leadership, faculty, and staff to consistently provide research-based best practices, resulting in future ready students.

**Performance Objective 1:** At least 90% of students will earn a score classified as approaching (or better) on the Reading STAAR in 2022.

**Performance Objective 1 Problem Statements:**

<b>Student Learning</b>
<p><b>Problem Statement 1:</b> The percentage of students at Approaches Grade Level in 6th grade reading, 7th grade math, and 8th grade science is below 60%. The percentage of students at Approaches Grade Level in 6th and 8th grade math, 7th grade writing, and 8th grade reading and social studies is below 70%. <b>Root Cause:</b> Teachers are not collaboratively planning lessons at the depth and complexity specified by the TEKS.</p>
<p><b>Problem Statement 3:</b> English Language Learners and LEP students scored lower on STAAR Reading than the school average at all grade levels. <b>Root Cause:</b> There is not a systemic approach to teaching academic vocabulary.</p>
<p><b>Problem Statement 4:</b> At-risk students and students in special education at all grade levels scored below the campus average on all state assessments. <b>Root Cause:</b> Interventions have not been implemented with fidelity to individualize instruction of at-risk students.</p>

## School Processes & Programs

**Problem Statement 3:** Teachers do not have time to plan common lessons and assessments and analyze data together within their departments and grade levels. **Root Cause:** Some teachers teach multiple subjects or grade levels and therefore, do not have a common planning time.

**Goal 1:** Killeen ISD will equip and empower campus leadership, faculty, and staff to consistently provide research-based best practices, resulting in future ready students.

**Performance Objective 2:** At least 80% of students will earn a score classified as approaching (or better) on the Math STAAR in 2022.

## Performance Objective 5 Problem Statements:

### Student Learning

**Problem Statement 1:** The percentage of students at Approaches Grade Level in 6th grade reading, 7th grade math, and 8th grade science is below 60%. The percentage of students at Approaches Grade Level in 6th and 8th grade math, 7th grade writing, and 8th grade reading and social studies is below 70%. **Root Cause:** Teachers are not collaboratively planning lessons at the depth and complexity specified by the TEKS.

**Problem Statement 2:** The percentage of GT students achieving Masters Grade Level is below 50% in 6th and 7th grade math, 6th grade reading, and 6th grade social studies. **Root Cause:** TAG students do not have consistent access to post-secondary education opportunities that would provide real-world application of the TEKS.

**Problem Statement 3:** English Language Learners and LEP students scored lower on STAAR Reading than the school average at all grade levels. **Root Cause:** There is not a systemic approach to teaching academic vocabulary.

**Problem Statement 4:** At-risk students and students in special education at all grade levels scored below the campus average on all state assessments. **Root Cause:** Interventions have not been implemented with fidelity to individualize instruction of at-risk students.

**Problem Statement 6:** ELL students scored from 5%-14% lower than the school average on all state assessments with the exception of the 6th grade math and 7th grade writing test. **Root Cause:** Teachers of English language learners do not consistently use available resources to immerse the students in the English language.

### School Processes & Programs

**Problem Statement 1:** Teachers struggle to provide students with differentiated activities. **Root Cause:** Teachers do not have adequate supplemental materials.

**Problem Statement 3:** Teachers do not have time to plan common lessons and assessments and analyze data together within their departments and grade levels. **Root Cause:** Some teachers teach multiple subjects or grade levels and therefore, do not have a common planning time.

**Goal 1:** Killeen ISD will equip and empower campus leadership, faculty, and staff to consistently provide research-based best practices, resulting in future ready students.

**Performance Objective 6:** All AVID students will achieve college readiness skills that will prepare them to succeed in rigorous curricula, enter mainstream activities in school, and increase their opportunities to enroll in four-year colleges.

**Evaluation Data Sources:** Student's interest in pursuing further education after high school.

**Performance Objective 6 Problem Statements:**

Demographics
<p><b>Problem Statement 1:</b> At least 3 teachers from 2021-22 are not yet qualified to teach Gifted and Talented students. <b>Root Cause:</b> The teachers are new to teaching TAG students and haven't had the required initial 30 hours of training.</p>
Student Learning
<p><b>Problem Statement 1:</b> The percentage of students at Approaches Grade Level in 6th grade reading, 7th grade math, and 8th grade science is below 60%. The percentage of students at Approaches Grade Level in 6th and 8th grade math, 7th grade writing, and 8th grade reading and social studies is below 70%. <b>Root Cause:</b> Teachers are not collaboratively planning lessons at the depth and complexity specified by the TEKS.</p>
<p><b>Problem Statement 2:</b> The percentage of GT students achieving Masters Grade Level is below 50% in 6th and 7th grade math, 6th grade reading, and 6th grade social studies. <b>Root Cause:</b> TAG students do not have consistent access to post-secondary education opportunities that would provide real-world application of the TEKS.</p>
<p><b>Problem Statement 5:</b> 8th grade Career and Technology students scored below the 8th grade campus average on the 8th grade math STAAR and algebra I EOC. <b>Root Cause:</b> Career and Technology students do not have consistent access to real world, concrete examples of how their math learning transfers to their futures.</p>
School Processes & Programs
<p><b>Problem Statement 1:</b> Teachers struggle to provide students with differentiated activities. <b>Root Cause:</b> Teachers do not have adequate supplemental materials.</p>

## School Processes & Programs

**Problem Statement 2:** Not every Smith Middle School student is involved in extra-curricular activities and programs. **Root Cause:** Many students are not aware of clubs and organizations available to them.
