Exams for Grades K-5

● *Exam Subjects*

Students who wish to skip **Kindergarten** must take two exams: Math and Language Arts.

For grades 1-5, four exams must be taken for acceleration:
- Math
- Science
- Social Studies
- Language Arts

● *Requirement*

Students must take and pass **all exams** with an **80%** or higher on **each exam**. It is not an average.

Acceleration testing **must occur prior to the start of the school year** for which acceleration is desired.

Students may only accelerate one grade level per academic year.

K-2 Exams

Students taking CBEs for K-2 subjects will need to make arrangements to take the exam on-site at their local school district or an approved university testing center. Online proctoring is not available for K-2 subjects.

Campus Recommendation Required

It is recommended that students requesting acceleration have **an overall average of 90% or higher** in their core courses.

For grades 1-5, the campus designee **must recommend** that the student be accelerated. Campus recommendation must be supported by multiple data sources.

Parents can pursue having their student tested through UT High School directly if the campus does not endorse a testing referral.

Killeen ISD will assume fiscal responsibility for all campus endorsed initial Exams for Acceleration.
