

FREE **Mental Health Services**

Is your child experiencing intense worry, sadness, anger, or other mental health concerns?

TCHATT OFFERS:

- **2-4 sessions with a Texas A&M Health mental health professional**
- **Psychological and psychiatric support**
- **Mental health care and crisis intervention**
- **Community referrals for long-term counseling as needed**

If your child is in need of mental health support, ask your school counselor about TCHATT.

TCHATT is part of the Texas Child Mental Health Care Consortium and is funded by the state.
