

# TRANSITION

# AT A GLANCE

**Transition** services are activities that prepare students with disabilities to move from school to post-school life. The activities must be based on the student's needs, preferences, and interests, and shall include needed activities in instruction and related services.

## COMMUNITY RESOURCES

It is imperative for families with a student who is ID, ED, and AU to register for Medicaid Waiver Programs through Central County Services. Current waiting lists are between 5 years and 15 years long.

## ELEMENTARY SCHOOL

- Start the intake process for outside agencies
- Students can start participating in Special Olympics in 4th grade
- HHPRC Adaptive Sports

## AGE 14

Transition Plan between home, school, and community to consider:

- Post-secondary education;
- Vocational education;
- Integrated employment (including supported employment);
- Continuing and adult education;
- Adult services;
- Independent living; and
- Community participation

## VOCATIONAL TRAINING

Training can be in school or through community resources

- Work-based Experience
- Skills Training
- Paid or unpaid experience

## POST-SECONDARY EDUCATION RESOURCES

- Trade School
  - Community College
  - 4-year University
- \*\*students must self identify their disability in post-secondary settings to start the process for accommodations

## STARTING AT BIRTH

- ECI Services
- KISD provides services to AI & VI

## ECI TO KISD

By the child's 3rd birthday an IEP has been developed and is being implemented for qualifying ECI referrals.
