

Clinical Teachers (Student Teachers)

Killeen ISD welcomes clinical teachers during the fall and spring semesters.

The University of Mary Hardin-Baylor and Texas A&M-Central Texas will work directly with the Principal and Campus Instructional Specialist in placement of clinical teachers from their institute.

Human Resources will work directly with the campus principal and campus instructional specialist in placement of clinical teachers from any other university, college, alternative certification program or teacher preparation program and will be notified of student's eligibility.

Clinical Teachers please follow the guidelines listed below:

- Complete [Volunteer Application](#)
- Complete KISD's Clinical Teaching Guidelines Form (page 2) and submit to campus
- Request by the Field Experience Supervisors must be submitted to Human Resources four weeks prior to start of clinical teaching assignment

Thank you for considering Killeen ISD!

Clinical Teaching Guidelines

Be respectful of the campus' ultimate purpose, educating the students that attend the campus and serving the needs of those families.

Respect the campus decision of the classroom teacher throughout the clinical teaching placement.

All cell phone use for any purpose during observation is prohibited; **no pictures are allowed.**

Professional dress is required for all clinical teachers. Admittance to campus may be denied if attire is deemed inappropriate by an administrator.

Remember that all information concerning students is confidential.

You may not clinical teach on a campus where your child(ren) attends.

Be courteous and professional to the faculty and staff assisting you in completing your clinical teaching placement.

Human Resources and/or the campus administrator have the authority to deny or discontinue requests for clinical teaching placement.

I, _____ understand that I must comply with the Clinical Teaching Guidelines above and with rules and regulations established by the campus where I have been accepted to clinical teach.
