

University Supervisor

Killeen ISD welcomes clinical teachers (student teachers) during the fall and spring semesters.

The University of Mary Hardin-Baylor and Texas A&M-Central Texas will work directly with the Principal and Campus Instructional Specialist in placement of clinical teachers from their institute.

Human Resources will work directly with the campus principal and campus instructional specialist in placement of clinical teachers from any other university, college, alternative certification program or teacher preparation program.

Please email the following for placement requests:

Human Resources Coordinator:

Amy Ybarra Amy.Ybarra@killeenisd.org

University Supervisors please follow the guidelines listed below:

- Request must be submitted to Human Resources four weeks prior to start of clinical teaching assignment
- Include Placement: campus/grade level/subject preference (although we may not always be able to accommodate preference)
- Ensure the [volunteer application](#) has been completed and cleared before the clinical teacher may begin the assignment
