

Letter Jacket Requirements (Dance)

1. The present UIL rules stipulate that only one major award (maximum cost \$70.00) for participation in inter-school competition may be presented during a student's high school enrollment in the same school. Additional symbolic awards not to exceed \$10.00 each may be presented for each additional interscholastic activity during the student's high school career.
2. Participants must meet the scholastic requirements as set forth by the UIL.
3. The participant must have finished the year as a member of the organization and be in "good standing" with the campus organization fine arts department. A student who finishes the year on suspension is not a member of the organization and is not in good standing with the campus organization fine arts department.

5. Awards will conform to UIL regulations.
6. Senior Award Rule:
When a senior fails to meet the requirements to be awarded a varsity award, the director may letter the participant providing the participant has met all of the previous criteria mentioned in Awards and Lettering, one (1) through five (5).
7. A member school may not give, and a student may not accept awards for participation in interschool competition in excess of \$10 per year (total for all UIL school activities). A student may accept a symbolic award in recognition of achievement in an interschool contest (e.g. all-tournament awards, ribbons, plaques, and medals).
