

Drop Off & Pick UP Map for Cars and Buses

Please notice the drop off and pick up areas for vehicles at Nolan MS. For the safety of your students please do not drop off students in the bus drop loop. **The yellow around the parking lot will help you navigate the drop off and pick up of our students.**

Walkers / Vehicle Pick Up – Exit from the Front Entrance and Fine Arts Hallway Exit 28.

Bus Riders – Exit from the cafeteria to the bus loop.

Safety Concern

Parents we have a safety concern in the front parking lot each morning. Please **DO NOT** drop off or pick up students in the **parking lot**. The student drop off / pick up lane goes by the front of the school and should be used for safety reasons. After school when parents are parking in the driving lanes, they prevent those who are in parking spaces from pulling out to leave campus. Students are also in danger of crossing the parking lot to get into these cars in the driving lane. Please use the drop off / pick up lane, this lane moves quickly and is designed to keep students safe.
