# ACCOUNTING

**Career Cluster:** Business, Marketing & Finance

**Endorsement:** Business & Industry

\* Indicates advanced course(s)

**A CTE Completer is a student who completes three or more CTE courses for four or more credits including one Level 3 or 4 (advanced level) CTE course within a program of study will fulfill the requirements of a Business and Industry Endorsement.**

The Accounting program of study teaches Career and Technical Education learners how to examine, analyze, and interpret financial records. Through this program of study, students will learn the skills necessary to perform financial services, prepare financial statements, interpret accounting records, give advice, or audit and evaluate statements prepared by others. This program of study will also introduce students to mathematical modeling tools.
