Practicum in Transportation Systems–
Collision Repair & Refinishing (KCC)

** Indicates advanced course(s)*

COLLISION REPAIR

Career Cluster: Transportation, Distribution & Logistics

Endorsement: Business & Industry

A CTE Completer is a student who completes three or more CTE courses for four or more credits including one Level 3 or 4 (advanced level) CTE course within a program of study will fulfill the requirements of a Business and Industry Endorsement.

The Automotive program of study teaches CTE learners how to repair and refinish automobiles and service various types of vehicles. CTE learners may learn to collect payment for services or supplies and perform typical vehicle maintenance procedures such as lubrication, oil changes, installation of antifreeze, or replacement of accessories like wiper blades or tires.
