As a CREW MEMBER, your responsibilities will include assisting in the set up, operations and tear down of video and live productions; and performing daily assigned duties. In becoming a CREW MEMBER, you are aware a large amount of extracurricular time will be involved. Please explain the reason you are interested in becoming a CREW MEMBER.

Working as a CREW MEMBER requires the same time, if not more, than playing a sport. You will be expected to be prompt and dependable. Your grade in this class will reflect your work and dedication to the program. CREW MEMBERS must be able to manage their time to take care of their schoolwork and responsibilities as a part of the crew. You will be returning home late at night after practices and games. Do you think this might cause a problem? Please discuss your desire to be a CREW MEMBER with your parent/guardian so they will understand the requirements and responsibilities it takes to be a CREW MEMBER.
