Immunizations

The State of Texas requires that students must have all their immunizations up-to-date before registering for or attending school. In fact, a student can be withheld from attending classes until their immunization record is brought into compliance. For state requirements, visit www.immunizetexas.org or call Killeen ISD's Health Services Department at 336-1684. Completed affidavit for Exemption from Immunization for Reasons of Conscience can be presented in lieu of an up-to-date shot record. This form can be filled in and submitted online to the Texas Department of State Health Services. For more information about the exemption, visit www.immunizetexas.org.

Bus Information

Killeen ISD provides bus service to many students in the district. To qualify for these services, a student must meet certain criteria. Transportation services are provided for elementary students who reside one or more miles from the home campus and for high school and middle school students who reside two or more miles from the home campus. Transportation services for students with individualized education plans (IEP) are determined based on the special needs requirements of those students.

Middle School Supply List
