To: Counselors and Scholarship Coordinators

For almost twenty years, the Central Texas Chapter of the Military Officers Association of America (Centex MOAA) has awarded a competitive scholarship to a graduating senior selected from JROTC cadets at the seven area high schools with a JROTC program. This scholarship has previously been restricted to a JROTC Cadet who will be enrolling in college level ROTC after graduation. Beginning this year, we are expanding the potential to apply for this scholarship to ALL graduating seniors from these schools regardless of whether or not they have participated in JROTC. However, the requirement to enroll in college ROTC remains and funds will not be disbursed until the Centex MOAA Scholarship Chairman receives confirmation that the selectee has, in fact, enrolled in a college ROTC program.

This year, the Centex MOAA Chapter will be awarding TWO scholarships. One scholarship will be for \$1,500.00 and the second will be for \$1,000.00. This is a competitive scholarship. Recipients will be selected by a panel of Centex MOAA members. Students who receive appointment to a service academy are not eligible to receive this scholarship, but those receiving service ROTC scholarships MAY apply. Candidates must submit items listed below to apply for this scholarship:

1. A copy of high school transcript thru 1st Semester Senior year
2. A listing of all extracurricular activities including employment (emphasis on leadership)
3. A letter of recommendation from a teacher or administrator
4. An essay on the designated topic of at least 700 words, but no more than 1,500 words
5. This year's topic is: "What are the characteristics of a good leader? Describe someone who exhibits these characteristics."

APPLICATION AND TRANSCRIPT REQUEST DUE TO THE KHS REGISTRATION OFFICE BY APRIL 6TH!

All applications must be submitted to me **NO LATER THAN 14 April 2017** either electronically at the email address shown above or by mail at the address shown above. I will notify selectees and the counselor from their school no later than 28 April 2017 and will inform them of the documentation required to receive the funds. Non-selectees will not receive notification.

As a reminder in order for the selected students to receive the scholarship, I must receive documentation that they have actually enrolled in a college ROTC program for any branch of the US Military.

Respectfully,

William T. Nance
