

My Alerts

Use the My Alerts option to access and change settings for Course Average alerts you would like to receive for your student.

Navigation

To display this page, move your pointer over your user name in the Home Access Center banner, then select **My Alerts**.

NOTE: If you are a guardian who can access multiple students in HAC, use the **Change Student** button to select your other student(s). A separate set of boxes displays for each student.

Course Average allows alerts to be sent on your student's course averages.

- **Notification Options**

- ✓ **Email** - Check if you would like alerts to be sent to the email account associated with your HAC account.
- ✓ **Mobile Push** - Check if you would like notifications delivered via the eSchoolPLUS Mobile Family App.
- **Alert Details** - To limit the alerts to averages outside of a range, enter the bottom of the range in the *below* field - for example, 75 for averages less than 75 - and the top of the range in the *above* field - for example, 89 for averages of 90 or greater. Enter whole numbers; decimals are not allowed. To enable alerts for all averages regardless of their level, leave the two fields blank.

Note: When you leave the My Alerts page, all of your entries are saved automatically.
