

## Robert M. Shoemaker High School STEM Academy

3302 Clear Creek Dr.  
Killeen, TX 76540  
254.336.0900

On behalf of the Shoemaker High School STEM Academy, we would like to make a request for sponsorship of our Cyberwolves robotics team. As a Cyberwolves team member, students are encouraged to explore their knowledge in the areas of science, technology, engineering and mathematics through hands on training. Students design, build and program robots used to compete in various robotics competitions. Your sponsorship will help us with the funding necessary to be successful in this task. In addition to competition robots, our team also builds T-shirt launchers which are used at school sporting events as well as events throughout the community. At each event the Cyberwolves shoot approximately 10-20 t-shirts. With your donation, the Cyberwolves would like to advertise your business on the back of the t-shirts being fired. There are currently three advertisement options available:

\$25- business name,

\$50- ½ business card size advertisement

\$100- full business card size advertisement

We are also taking donations for the robot advertisement.

I would like to thank you for taking the time to consider sponsorship of the Shoemaker Cyberwolves robotics team and we look forward to working with you.

Dr. Sandra Melendez  
STEM Coordinator
