

Killeen Independent School District
MATH CENTER
254-336-1736

Dear Parents and Guardians,

Beginning September 2, 2014 through May 28, 2015 Killeen ISD will offer **Math Tutoring Help via our KISD Math Center**. Students in grades 5-12 will have two ways to receive assistance with math homework and tutoring.

(1) The **MATH CENTER** will be located at Jackson Professional Learning Center. It will be available Monday-Thursday from 5:00-8:00pm and Saturday from 9:00am-12:00pm.

(2) The **MATH CENTER** Phone Help Line is **254-336-1736**. It will be available during the same hours, Monday-Thursday from 5:00-8:00pm and Saturday from 9:00am-12:00pm

Our goal for the implementation of the Math Center is to ensure all students become successful at mathematics.

All students attending the Math Center must provide their own transportation. The Jackson Professional Learning Center is located at 902 N. Rev. Abercrombie Drive, Killeen, TX 76543. Please plan on picking up your student on time. If you elect to pick up your student early, you will need to come in and sign-out him/her at the Math Center's sign-in table.

Parents/Guardians will need to complete the attached application. Students will need to present the application upon attending the Math Center for the first time. All students must follow the KISD Student Code of Conduct while at the Math Center.

If a student is working on homework, they will be expected to bring all materials (i.e. homework, books) with them when attending the Math Center. It will not be the Math Center's responsibility to provide students with their assignments. Additional help will be provided using a variety of strategies such as online resources and tutorials.

Any further questions can be addressed to:
Harriet Wrabetz at harriet.wrabetz@killeenisd.org

Student Application for MATH CENTER

2014/2015

Name of Student _____

KISD student ID number _____

School Name _____ Math Teacher's Name _____

Current Grade Level or Math Course _____
