

Liberty Hill Family,

We are proud to announce our selected representative for the 2016-2017 Texas State Teacher of the Year program!

Mrs. Barbara Hutchinson

8th Grade Career Investigations

2016-2017 LHMS Teacher of the Year Representative

Mrs. Hutchinson's love for education began eight years ago, when she made an immediate connection with her students as she began her teaching journey. Her philosophy for student learning is based on the premise that teachers must establish and maintain an environment of mutual respect with students and colleagues. Mrs. Hutchinson has embraced her role as a role model for young minds by undertaking several additional roles as a NJHS Sponsor, an active member of the Killeen ISD District Conduct Committee, as well as an intern in our campus Counselor's Office. The potential to make an impact every day in the life of students has transformed from inspiration to aspiration for Mrs. Hutchinson, who is interested in pursuing a role as a school counselor to increase her student impact.

Congratulations Mrs. Hutchinson, you exemplify Liberty Hill's culture of passion, dedication, knowledge, and skill in the classroom; the ability to inspire students of all backgrounds and abilities to learn. Mrs. Hutchinson has earned the respect and admiration of students, parents, and colleagues; playing an active role in the community, as well as in the school.

We also would like to recognize the finalists and nominees for this year's Teacher of the Year program.

All candidates were nominated by colleagues, parents, students, district employees or community members for the work they do every day for all students.
