It's been a great fall semester at LHMS. As the calendar year comes to an end, we have several important reminders:

1. Please be familiar with the KISD dress code procedures. Students are not permitted to wear clothing that is tight, draws undue attention or is shorter than 4 inches above the knee. Students are also not allowed to wear clothes that have holes, frays or faux frays above the knees whether or not there is fabric behind the holes. Please be aware that students wearing inappropriate clothing could be sent to in-school suspension.

2. LHMS is a gum-free campus. Between now and December 16, students who are observed chewing gum will receive a day of lunch detention as a warning. Beginning January 4, students who are seen chewing gum will receive a referral for insubordination and will serve one day of in-school suspension.

3. Students are not allowed to have water bottles, drinks or food outside of the cafeteria unless they have a medical note on file with the nurse. Between now and December 16 students will be allowed to put these items in their lockers. Beginning January 4, students with these items will have to throw them in the trash or get a referral for insubordination.

4. Please use Home Access Center to check on your students' grades. Tutoring is available Monday through Thursday each week.

5. Students should have their lockers secured with a lock. We've recently been made aware that some combination locks break easily. Therefore, beginning immediately, students are now allowed to use key locks. Students who lose or forget their keys will have the option of having their lock cut. Parents will be responsible for replacing cut locks.

6. Students must wear their IDs and the appropriately colored lanyards. Students without IDs and lanyards will receive an ID violation.

Thank you for your support in helping us enforce the rules that make Liberty Hill one of the best campuses in the district.

Clothing not within dress code

Too tight	
Too short	
Holes, frays, faux frays above the knees
