

**Liz Shifflett grew up in Fort Worth but moved north to attend the University of Nebraska—Lincoln (Go Big Red!) for a few years before transferring and graduating from Tarleton State University in Stephenville with a Bachelor's in Interdisciplinary Studies. While in Killeen, she earned her Masters in Educational Administration from Texas A&M Central Texas. Mrs. Shifflett has been a part of Killeen ISD for her entire educational tenure. She taught 4th grade at Willow Springs Elementary, then transitioned to Patterson Middle School where she taught 6th grade math and served as the Math Team Lead before accepting the position of Campus Instructional Specialist (CIS). Mrs. Shifflett, her husband, and son live in Killeen and enjoy traveling and spending time with their families.**
