# Reporting on Instagram

1. Click on the ... in the top right corner or the bottom right if you're on a computer

2. Choose "Report" if you're on the app (go to step 4 next) or "Report inappropriate" if you're on a computer

3. Select "I don't like this photo" if you're on a computer

4. On the next screen click "Self-harm, eating disorder, cutting, or suicidal content"

5. You'll get a confirmation message that your report was accepted
