KISD Password

Viewing Staff Members

To view staff members select the image of a person in the top left corner.

Conducting Walkthroughs/Observations

Select a staff member

Press the plus sign  to begin a new walkthrough or observation.

You will be prompted to select a template, enter requested information.

Do not select Allow Teacher to View button for walkthroughs unless you would like to send to teacher immediately after you "Save and Close" in the application.

Select Begin and complete the evaluation. Tap to add checkmarks or to toggle between the options in a matrix. To enter comments, tap on any comments section and the keyboard will open.

To use the Scripted Comments feature, select Script Notes button at the bottom left of the evaluation.

When finished tap Done, then make sure to select Save and Close before closing the evaluation or app.
