When can food be given away that do not meet Smart Snacks guidelines?	FUNDRAISERS (Any activity or event during which tokens, currency, tickets, etc... are exchanged for the sale/purchase of a product in support of the school or school related activity.)	When can food items be sold?	What about food catalog sales?	What about food catalog sales that cannot be consumed?
ELEMENTARY/MIDDLE	Food given away or sold must meet Smart Snacks guidelines.	May be provided to students 30 minutes before meal periods (breakfast and lunch) and/or 30 minutes after meal periods.	Food items given away during the 9 "free" days per year (3 party days and 6 other days) do not have to meet Smart Snacks guidelines. However, items may not be provided to students in areas where reimbursable meals are being served or consumed and regular meal service (breakfast and lunch) must still be available to all students.	Food items that can be consumed must meet Smart Snacks guidelines if sold during the school day.	May be sold to students 30 minutes before meal periods (breakfast and lunch) and/or 30 minutes after meal periods.	Food items that can be consumed (i.e. candy bars, carmel corn, etc...) that do not meet Smart Snacks guidelines may not be distributed to students until the end of the school day (30 minutes after the last bell). Parents may pick these items up anytime during the school day. Students who ride the bus and/or are pickup by a day-care provider may take the catalog sale items home as long as they are not opened and consumed.	Food items that cannot be consumed (i.e. cookie dough, frozen pizza dough, etc...) may be distributed to students after the last bell.
HIGH	There is no restrictions on food given away. Food sold must meet Smart Snacks guidelines.	May be provided to students anytime during the school day.
