Killeen Independent School District
Job Description

Job Title: District Instructional Specialist Career & Technical Education and STEM
Reports To: Chief College, Career and Military Readiness Officer
FLSA Status: Exempt

SUMMARY
Designs and implements a wide variety of activities that promote a teaching staff that is highly qualified and able to help all students achieve challenging academic achievement standards. Works cooperatively with district personnel so that a consistently high standard is implemented and maintained in the area of Career and Technical Education and STEM programs.

ESSENTIAL DUTIES AND RESPONSIBILITIES include the following:

Provides professional development that improves the knowledge of teachers, campus leadership and paraprofessionals in content knowledge and instructional practices that are scientifically based and aligned with district philosophy.

Develops and implements initiatives to promote retention of highly qualified teachers and campus leadership, including programs that provide teacher induction and mentoring.

Provides content expertise to collaborative groups of teachers and administrators.

Provides professional development support designed to improve the quality of educational leaders including the development and support of leadership academies.

Assists in the implementation of teacher advancement initiatives that promote professional growth and emphasize multiple career paths, such as paths to becoming a mentor teacher, career teacher, or exemplary teacher.

Coordinates the collaborative development and revision of curricula.

Utilizes content area and specialization skills to provide instructional leadership in curriculum planning.

Assists in the selection, organization, and distribution of instructional materials.

Assists with the implementation of states and federal grants in support of career and technical education.

Assists with the evaluation of Career and Technical Education and STEM programs, including active participation in advisory committee(s).

Provides instructional leadership in the textbook adoption process by assisting in the organization of textbook task forces and the planning of textbook hearings.

Provides support for the Career and Technical Education and STEM programs as directed.

Performs other duties as assigned.
