### Free Microsoft 365 for Killeen ISD Students

Killeen ISD students and staff can download and install Microsoft Office 365 on their PERSONAL devices. The district’s Microsoft Office 365 licensing package allows KISD students and staff to access up to five home computers/ cellphone licenses at no cost to the user. This ensures students can collaborate in a safe and secure environment even if they’re on a personal device or cellphone.

Students will be able to install the following programs on their devices at home: Microsoft Word, Excel, PowerPoint, Sway, Teams and One Note.

The program licenses are good as long as students and employees have a killeenisd.org (or live.killeenisd.org) account.

For assistance, please contact your campus technologist or view our instructional video here: https://www.killeenisd.org/FreeMSOffice
